That's what goes into Classroom Stew.

Pour in black paint, six drops of ink.
Squeeze out the sponge from the classroom sink.
Eraser crumbs and hand soap goo,
That's what goes into Classroom Stew.

Sprinkle in fish food, eight lumps of clay,
Silver glitter and paper-mâché.
Rubber cement, gum off your shoe,
That's what goes into Classroom Stew.

Stir it well; dump in a cup,
Toast your teacher and bottoms up.
Hold your belly before you spew.
Then flood the floor with Classroom Stew.
