Full Moon

C Dm
You should know why I talk to the sky
G
When you're not here.
C Dm
Like a crazy loon, I talk to the moon
G
To bring you near.

Chorus:
C Dm C
Cause there's a full moon rising over me.
F C
It's the same moon that I've known.
G F
It's same moon? It's the same moon,
C
Rising over you?
Dm C
It's a blue moon that I see.
F C
When I lay here all alone.
G F
Is it the same moon? Is it the same moon,
C
Rising over you?

Please understand, that old moon man.
Is my sole company.
A smile of grace on a friendly face.
Is all I see.

Chorus:

Is it the same moon? Is it the same moon rising over you? (repeat)
