

*From Elevator Family On Ice:*

*The Wilsons continued to tour the SMALL exhibition. The largest booth in the hall sold Elevator Family books and merchandise—Elevator Family Pick-Up Sticks, Elevator Family dolls, Elevator Family barbecue aprons, and Elevator Family hats.*

*“Great Scott,” said Walter. “Bob Brown, our manager, has been busy.”*

*A young woman in the booth stood up, “Wow! The Elevator Family has come to visit the Elevator Family booth,” she said. “Hi, I’m Amanda Brown. Bob Brown is my uncle.”*

*“So, Mr. Brown has his family working for him,” said Walter.*

*“The whole Brown family has become a lot closer since Uncle Bob met you in the San Francisco Hotel,” Amanda said.*

*“I’d like to buy one can of Elevator Family Pick-Up-Sticks,” said Winslow.*

*“And I’ll take one Elevator Family sketch pad,” said Winona.*
