

Z Song
Catching Z's

Verse 1

I'm falling; how I am falling.
I'm snuggled in my bed; time to nod my sleepyhead.
I'm falling; how I am falling.
Good-bye, I will soon be fast asleep.

Refrain:

I will get forty winks; I will catch a load of Z's.
Off to Slumberland I go.
Now I'm falling; how I am falling.
Nighty-night, I will soon be fast asleep.

Music

Refrain:

I'm hitting the hay; going to saw lots of logs,
To the Land of Nod I go.
Getting some shut-eye; taking a long snooze.
Bye for now, I will soon be fast asleep.
