

## Sometimes Y

### *Verse 1*

Other vowels get all of the attention.  
A, E, and I O U.  
But I, a Y, rarely get a mention.  
What's a lonely Y to do.

### *Verse 2*

They say I'm only needed sometimes.  
In my, cry, by, and sky I'm found.  
A junior vowel I am at most times.  
And a wishy-washy sound.

### *Chorus:*

Sometimes teachers call me Sometimes.  
Sometimes they say I say either E or I.  
They say I'm only a vowel occasionally,  
That's why I'm known as... Sometimes Y.

### *Verse 3*

I finish every funny story,  
I'm more handy than you realize,  
My life might not be hunky dory,  
But there's no sorry without Y's.

### *Verse 4*

Today I'm a second-stringer letter.  
But why throw in the towel just yet?  
Some time things will get much better,  
As a full-time vowel in the alphabet.

### *Chorus:*
