

Paddling

C F
I'm paddling around this world, trying to do the best I can.
C G
I'm king of all this world, just me and Travelin' Man.
C F
And there's no one with whom I can disagree,
C
Cause now I'm feeling free.

Chorus:

F C F C
Just paddling hard round this whole world,
C Am G C
And I don't want to go home.

I'm paddling around this world. There's a million ways to go.
No worries in this world, from here to the Quetico.
And I can do what I feel like I want to do.
I'm starting off like new.

Chorus:

Just paddling hard round this whole world,
And I don't want to go home.

Music:

I'm paddling around this world, leaving people far behind.
Don't need them in this world. I'm sure they do not mind.
And now I'm on my own, kneeling here alone.
It's a life I've never known.

Chorus:

Just paddling hard round this whole world,
And I don't want to go home.

Chorus: (fade)

But no matter how hard I try,
I can never go home.
