

## Pink Lady

C.

My lady can't do the swing.

C

My lady can't do the swing.

F

But I don't mind, don't mind, don't mind.

C

That my lady can't do the swing.

G.

She can do most anything.

F

She wouldn't be the same if she can do the swing.

C

She's my, my, my, my, my my-my Pink Lady. (repeat)

My lady has pigeon toes.

My lady has pigeon toes.

But I don't mind, don't mind, don't mind.

That my lady has pigeon toes.

She couldn't walk without them, I suppose.

She wouldn't be the same without them pigeon toes.

She's my, my, my, my, my my-my Pink Lady. (repeat)

(music)

My lady has nylon hair. My lady has nylon hair.

But I don't mind, don't mind, don't mind.

That my lady has nylon hair.

She keeps it on the night stand, so I don't care.

She wouldn't be the same without that nylon hair.

She's my, my, my, my, my my-my Pink Lady.

She's my, my, my, my, my my-my Pink Lady. (repeat)
