

### The Hot Dog Song

I got an old log they call a hot dog.  
I got an old log they call a hot dog.  
I got an old log they call a hot dog.  
Hot-diggity-dog. We're having hot dogs.

It's the teeny-weeny weenie the bun has betweeny.  
It's the teeny-weeny weenie the bun has betweeny.  
It's the teeny-weeny weenie the bun has betweeny.  
Hot-diggity-dog. We're having hot dogs.

Take the red stuff and yellow stuff and spread it all over.  
Take the red stuff and yellow stuff and spread it all over.  
Take the red stuff and yellow stuff and spread it all over.  
Hot-diggity-dog. We're having hot dogs.

We find frankfurters fun to feed and fill our tummies.  
We find frankfurters fun to feed and fill our tummies.  
We find frankfurters fun to feed and fill our tummies.  
Hot-diggity-dog. We're having hot dogs.

I got an old log they call a hot dog.  
I got an old log they call a hot dog.  
I got an old log they call a hot dog.  
Hot-diggity-dog. We're having hot dogs.
