

The Messy Desk Pest

C F
Beware all you kiddies of the Messy Desk Pest,
F C G
Who will make itself a guest in any desk if finds messed.
C F
And all day long it never gives you a rest.
F C G C
That galling, appalling Messy Desk Pest.

It'll nibble all your pencils; white glue it will slurp,
It'll chomp on your crayons and end with a burp.
It'll erase homework answers, pop your desktop an inch,
While you're getting a notebook, your nose it will pinch.

Refrain

Am G Am
Warning! Danger! Watch out! Beware!
Am G
During math be especially aware!
Am G Am
Use caution when the pest is in there.
F C G
It'll reach out to snap (*snap!*) your underwear.

C F
So you've been warned kiddies of the Messy Desk Pest.
F C G
Who becomes an uninvited messy desk guest.
C F
And all day long it never gives you rest.
F C G C
Let this be a lesson: NEVER LEAVE YOUR DESK MESSED!
