

## Only the Best

### *Verse one:*

Only the best for the Wilsons; only the best will do.  
Only the best will do. Only the best will do.  
And we hope everyone else, will have the best, too.  
Will have the best, too; will have the best, too.

### *Chorus:*

The best west of the Mississippi,  
The best east of the Mississippi,  
The best over the Mississippi,  
EST (bang. bang); EST, (bang. bang)  
Only the best,  
For our family. (bang. bang)

### *Verse two:*

Tidiest and coziest, is our home Toll Four.  
Our home Toll Four; our home Toll Four.  
The finest, friendliest people pass by our door.  
Pass by our door; pass by our door.
