We've met the best people all along the way.

Mom sells just catfish; Sam lives in his van.
Cathy will sell you flowers; Shypoke shouts mush.
Roger looks for fires; Ms. Goldengate's in a rush.

Music

Verse three:

Opra drove a bus, and now sings at the Met.
Verity and Kev sang solo, and now are a duet.
Natacha acts on Broadway; Duncan wrote the score.
Robin Twitter's for the birds, and Paul adores Arbor.

Repeat

Only the best for the Wilsons and many many more.
