

Field Trip Song

D
We toured an art museum.
D G D
Teacher said we learned much.
D G A
We saw expensive paintings,
D
And things we couldn't touch.

We enjoyed the art museum,
But the most fun for us,
Was goofing off and laughing loud,
While riding back on the bus.

Chorus:

D G D,
Riding on the bus,
D G D,
Making lots of fuss,
D G D G D
The funnest thing on the field trip,
D A D
Was riding on the bus,

Took a trip to Sutter's Fort,
Saw all sorts of history,
Why people ever lived that way,
Is still a mystery.

It's only high tech stuff,
That we like to discuss,
On our way back to school,
While riding on the bus.

Chorus:

Music interlude

On a trip to a concert hall.
Heard music meant to please,
But broken, bad, and boring,
We called the three B's.

The music coming back.
Was the real plus.
As we all sang this song
While riding on the bus.

Chorus:
