

Lockdown Drill

Verse 1:

Huddle down children, lockdown hurry.
Let's pretend an unwanted strangers out there.
Huddle down children, but do not worry.
We're making-believe to make you beware.

Chorus:

Hurry up children, lock down lock down.
We'll close the blinds and the lock the door.
Hurry up children, lock down lock down.
We'll turn off the lights, and say no more.

Verse 2:

A bad intruder might be holding a rifle.
In the safe corner we'll sit and hide.
This little threat might scare you a trifle.
We'll wait right here until its safe inside.

Chorus:

Bridge:

Where in the world do you do a lockdown,
A hundred times before you're a teen?
Until we ban the tons of guns in our town,
We'll do the drill until it comes routine.

Music

Chorus:

Verse 3:

Lockdown lockdown, it's all done.
The policeperson gave us the all clear.
Now it's time to have some fun.
Return to your desks and forget your fear.
