

What Calls to Me?

Verse 1

Walking on the sand trying to understand,
What in my life I was meant to be.
And every day as I pass this way,
I listen for a voice to call me.

Verse 2

I need a plan so when I'm a man,
I'll know what purpose has tomorrow.
How I wish I knew what I should do.
What passion should I follow?

Refrain:

I like to draw and build.
Will I become an engineer?
I like to read and write.
Will a book author be my career?

Verse 3

Sad if I miss my one true bliss.
I'll keep looking for what's enthralling.
I'll take a ride round the world wide,
Searching for my calling.
