

That's Why I Coo

Verse 1

That's why the cocks crow.
That's why bulls bellow.
That's why the sheep bah.
That's why the crows caw.

That's why the bears growl.
That's why coyotes howl.
That's why the cows moo.
That's why I coo for you.

Refrain

That's why I coo—coo-coo.
That's why do what I do
That's the sound I make each dawn,
To say good morning to you.

music

Verse 2

That's why the bird tweet,
That's why the goats bleat,
That's why the cats mew.
That's why I coo for you.
