

A Song
In Awe of Aw

Aw you might say in the doctor's chair.
Aw you might say while pulling your hair.
Aw you might say when caught unaware.
That's why I'm in awe of the awesome sound *aw*.

Aw grownups say to cute babies.
Aww Tarzan says swinging through trees.
Awww people say in a cool cool breeze.
That's why I'm in awe of the awesome sound *aw*.

Remain:
How awfully often we say *aw*,
Relieved or shocked by what we saw.
We raise our brows and drop our jaw.
That's why I'm in awe of the awesome sound *aw*.

Music:

Aw you say doing homework a lot.
Aw *shucks* you say when you've been caught.
Ah-ha you say when you have a thought.
That's why I'm in awe of the awesome sound *aw*.
