

More Than One Way

Verse 1:

There's more than one way to dot an i,
With a star, two lips, a sign for pi,
A smiley face, or a bumble bee.
A question mark or emoji.

Chorus:

A doggie bone, an ice cream cone,
A throwing dart, a flying heart.
Use a dot, but I don't know why.
There's more than one way to dot an i.

Verse 2:

There's more than one way to cross a t.
With a lightning bolt or downhill ski,
A string of beads or a candy cane,
Monkey bars or a speeding train.

Chorus:

X's in a row, a bright rainbow,
A garden rake, a rattle snake,
Use a line, they say to me,
But there's more than one way to cross a t.

Verse 3.

Dot your i's and cross your t's,
But why not do it as you please?
Cross your t's and dot your i's.
Details with a big surprise.
