

B Song
To Be or Not

Verse 1

Will Shakespeare said to be or not to be.
I thought a moment, and I said, "Let me see."
Be kind, be calm, be honest, and be free.
Will, I think I will be all that I can be.

Refrain:

Take the case of buzzing bee.
All day it will be busy.
Making wax and sweet honey.
Being a bee is OK by me.

Verse 2

Will Shakespeare said to be or not to be.
I thought a moment, and I said, "Maybe."
Belong, begin, behave, and believe.
Will, I think I will be all that I can be.
