

D Song
1,2,3-D Rhapsody

Verse 1

A 1-D shape is only long.
A curve, a ray, or point gone wrong.
An angle, segment, or a line,
A border, wire, or minus sign.

Chorus:

1-D, 2-D, 3-D Rhapsody
1-D, 2-D, 3-D Rap

Verse 2 high

A 2-D shape is something flat,
A circle, square, and shapes like that.
A movie screen or paper sheet,
A soccer field or two-way street.

Chorus:

Music

Chorus:

Verse 3

3-D shapes have depth and height.
Cubes and spheres, a solid sight.
Cans and cones that stand up tall,
A classroom desk or a playground ball.

Verse 4 high

Now you know your 3-D's
Most everything is one of these.
Before we're through I should mention,
There's a relative fourth dimension.
