

P Song
Peas Please

Verse 1

Will one of you fine ladies,
Please pass me the peas.
It's good to eat veggies,
So, I'll eat all I please.

Chorus:

But how can I eat them?
They'll roll and get strewn.
I'll mix them with honey,
So they'll stick to my spoon.

Verse 2

Will one of you fine ladies,
Please pass me the peas.
Then find me some honey bees,
In the cottonwood trees.
