

Q Song Stop Following Me!

C

"Stop following me!" Q said to U.
"You're always there, wherever I am.
You're on my tail, whatever I do,
Don't be a pest, like Mary's little lamb."

F

"But I'm a friend," U said to Q.
By your side I always want to be near.
Count on me to come after you.
In any words that you appear.

C

"Please stay away!" said Q to U.
It's embarrassing, this mismatched pair,
You stick to me as if I were glue,
Don't tag along behind me everywhere.
