

Sand Sandwich

Verse one:

Take two slices of Wonder white bread,
Add a double dollop of white mayo spread.
Maybe a slab of Swiss cheese if you please, and,
Sprinkle on a cup of clean sand.

Chorus:

I made a sand sandwich,
Into it I bit,
I made a sand sandwich.
Then I spit grit.

Verse two:

The perfect snack when you're at the beach,
Where the main ingredient is easy to reach.
So get your sand shovel and pail ready.
Also try some green seaweed tea.
