

## Message to Kite

### Instructions:

1. Fly kite as high as you can.
2. Write a message on a small piece of paper.
3. Make an L-shaped tear in paper ending in center.
4. Thread paper on kite string high enough to catch the wind.
5. Let go of paper and watch it glide up the string.
6. Paper might rise fast if wind is strong or slowly if wind is light.
7. Kite reads message:

How's it going up here?
