

Our School Secretary

Seven band-aids, a bloody nose,
Forgotten lunches, bright hellos,
Twisted ankles, Ritalin pills,
Five calls home, two orange juice spills.

A lost jacket, a stain to soak.
An ice packet, zipper that broke
Ripped pair of pants, some muddy shoes.
Dog in the hall, a purple bruise.

Cupcakes to class, lozenge for throat.
Two peeved parents, a tardy note.
Janitor found, a stomach ache.
Papers copied, announcements to make.

Our secretary has lots to do.
We think she helps our principal, too.
